

JOB OPPORTUNITY
Fabricator / Welder- 35 - 40 hours per week

Salary- Starting at £15.00 per hour depending on experience.

On Offer: We are currently looking for a Fabricator / Welder to join our team.

An interesting and varied role that he will primarily be workshop-based, with times when site visits and installation work is required. We work across a variety of industries where a high standard of quality is essential, as well as on bespoke domestic projects. The ideal candidate should be comfortable with this mix of work and enjoy maintaining a strong eye for detail and quality.

Requirements

The ideal candidate will have good experience as a Fabricator / Welder, working with a full range of metals and have a good understanding of engineering processes.

Candidate should possess the ability to work with limited supervision and be comfortable working in a small team on joint projects. The role can also be customer facing, so good communication and interpersonal skills are highly desirable.

Candidate should be competent with a range of Welders, Bandsaws, Bending and Cutting equipment. Training will be provided and the ability to upskill employees is promoted here.

Please email a CV to dan@swiftwelding.co.uk to apply and provide a phone number to be contacted on.

Position open until filled. Please consider the necessary requirements before applying, as anything less won't be considered.
